The Consent Solicitations are being made pursuant to a Consent Solicitation Statement, dated February 13, 2020 (as may be amended or supplemented from time to time, the “Consent Solicitation Statement”). Each Consent Solicitation was commenced today and will expire at 5:00 p.m., New York City time, on February 24, 2020, unless extended by Buckeye (each such date and time, as the same may be extended, is referred to as the “Expiration Time”). Only holders of the applicable Notes as of 5:00 p.m., New York City time, on February 12, 2020 (such date and time, including as such date and time may be changed by Buckeye, from time to time, the “Record Date”) are entitled to consent to the Proposed Amendments pursuant to the applicable Consent Solicitation.

The Proposed Amendments will be set forth in supplemental indentures relating to the Notes and are described in more detail in the Consent Solicitation Statement. To amend any Indenture, Buckeye must receive consents from holders (as of the Record Date) representing a majority in aggregate principal amount outstanding (not including any Notes which are owned by Buckeye or any of its affiliates) of such series of Notes (with respect to any such series, the “Requisite Consents”); provided that the indenture governing the 2024 Notes and 2044 Notes may be modified if Buckeye receives consents from holders representing a majority in aggregate principal amount outstanding (not including any Notes which are owned by Buckeye or any of its affiliates) of 2024 Notes and 2044 Notes, voting as one class, and the “Requisite Consents” related to such two series of Notes shall be such majority.

With respect to each Consent Solicitation, Buckeye will, within three business days of the Expiration Time, provided that all applicable conditions to the Consent Solicitations as described in the Consent Solicitation Statement have been satisfied or waived, pay to Holders of Notes (of such series) who deliver a consent and for which the applicable Requisite Consents have been delivered and not validly revoked for the applicable series of Notes, a cash payment equal to $2.50 per $1,000 principal amount of Notes in respect of which such Consents have been validly delivered prior to the applicable Expiration Time and not validly revoked by such Holders as total consideration for such Consent (with respect to any series, the “Consent Fee,” and, collectively, the “Consent Fees”). No Consent Fees will be paid to any Holder of Notes for which series the Requisite Consents have been obtained unless such Holder delivers a consent in accordance with the terms of the Consent Solicitation Statement.
prior to the applicable Expiration Time. The consummation of each Consent Solicitation is conditioned on the receipt of the applicable Requisite Consents for each of the other Consent Solicitations.

Subject to applicable law, Buckeye reserves the right, in its sole discretion, to (i) extend, terminate or withdraw the Consent Solicitations at any time with respect to one or more Consent Solicitations without extending such date for any other Consent Solicitations or (ii) otherwise amend the Consent Solicitations in any respect, including waiving any or all of the conditions to the Consent Solicitations set forth in the Consent Solicitation Statement, at any time and from time to time. Buckeye further reserves the right, in its sole discretion, not to accept any deliveries of consents with respect to the Notes. Buckeye is making the Consent Solicitations only in those jurisdictions where it is legal to do so.
